

## F-MATIC® High Performance Gel Fragrance Cartridges

### Description

F-MATIC High Performance Fragrances provide continuous odor neutralization and air enhancement 24 hours a day.

- Provide 30 days of odor control and air enhancement
- A natural product, made with organic ingredients and botanical fragrance oils - available in 21 scents
- New patent pending Pop and Twist Removable Seal opens in seconds, without the use of knives, for faster, safer servicing
- One of the strongest foil seals in the industry to prevent fragrance leakage before use
- Fit in all F-MATIC fan dispensers

### Environmental Profile

Hypo-allergenic  
VOC compliant  
No excess waste in outer packaging  
Recyclable plastic cups

### Markets

Although ideal in any space, F-MATIC HP Gels work especially well at fighting odors in restrooms, offices, locker rooms, food service areas, hallways, restaurants, retail spaces, garbage receptacle areas, lobbies, lounges, and more!
