

F-MATIC ONE Passive Air System (Odor Neutralization & Elimination)

Description

The F-MATIC ONE Passive Air System offers 60 days of odor control in an environmentally responsible way.

- Features **60 full days** of odor control and air enhancement
- Contains **Metazene[®], a proven molecular odor counteractant** that effectively fights odors, rather than merely masking them
- Covers **6,000 cubic feet**
- Reliable **gravity-operated system**; doesn't depend on batteries, fuel cells, or any other artificial means of power
- Contains **40% more liquid than competitors**, for stronger odor control over 60 day cycle
- Easy to use **pop & go refill** designed for quick servicing
- **Fits competitors' dispensers** for easy switchover

Environmental Profile

Operates without batteries or fuel cells of any kind
VOC compliant; contains no propellants
Completely recyclable refill
