

F-MATIC Disposable Face Masks

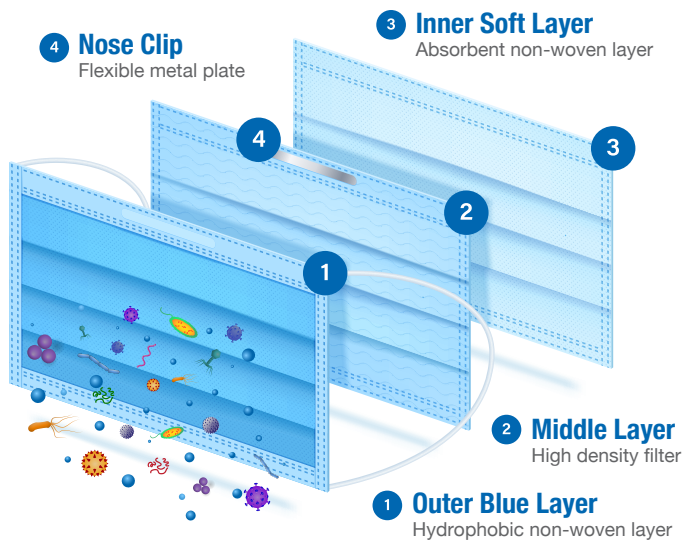

Description

With the spread of COVID-19 slowing down in many areas, states are opening up again, but are requiring everyone to wear a face mask in public. With the concerning spike in cases, wearing a mask is crucial to your safety and the safety of others.

Our non-woven face mask is made up of top-grade non-woven fabrics with 3 layers.

- Non-woven face mask is made of spunbonded non-woven fabric and meltblown non-woven fabric
- For general use to protect face from dust, water and bacteria
- Conforms to international standard
- Low breathing resistance with high filtration efficiency
- With multi-layered non-poisonous, non-allergic, non-stimulating materials
