

DISINFECTING WIPES

PRODUCT SALES SHEET
FACILITY CARE

PRODUCT FEATURES

Our quality sanitizing wipes dramatically reduce the occurrence of germs that may cause illness. Zehn-X- wipes are sanitizing/antibacterial, FDA registered, and designed to be safe and effective on hands. Our wipes are infused with aloe vera and tea tree oil for added protection and anti-viral strength. They are perfect for on the go, at home, at work, or in any high traffic areas.

ZEHN-X 10-PACK WIPES

Benzalkonium chloride kills 99.9% of germs on contact. Our 10 pack is ideal for disinfecting on the go. Easily fits in bag or glove compartment in car to keep on hand anywhere.

ZEHN-X 180 WIPES ROLL

Clean, protect and sanitize with our extra strength formulation 180 count wipe canisters! These wipes kill 99.99% of germs and bacteria using the active ingredient Quaternary Ammonium Compounds which has been found effective against COVID-19.

ZEHN-X 1,200 WIPES ROLL

Our 1,200 pack of sanitization wipes are a great economical solution for your hygienic needs. Our bulk rolls fit any standard holder and work perfectly with the Zehn-X Stainless steel dispensers. Formulated with Aloe Vera and Tea tree oil to help moisturize and protect.

Zehn-X wipes are perfect for our wall hanging canister!
