

PRODUCT DESCRIPTION

Fresh Seat is a revolutionary new way to use a clean public toilet seat. Fresh Seat is a surface cleaner that can be mounted anywhere in the bathroom. It will not just help remove dirt and grime from all surfaces in the bathroom, it sanitizes all needed areas with our alcohol based formula. This is great to use anywhere from toilet seats to baby changing stations

FEATURES AND BENEFITS

Contains antimicrobial material through alcohol based material, inhibiting any bacteria growth as well as sanitize the general area

Dispense by pushing the dispenser bar, use toilet paper or a paper towel to collect the foam and wipe down the dirty surfaces.

Foam based, which is superior to spray. This allows the user to see and feel what they are sanitizing in the area instead of just spraying it down

Alcohol - based foam cleans and dries almost instantly leaving no sticky residue behind.

Up to 700 one second usages per can, making it more economical and less labor intensive that paper seat covers.

Easy to follow instructions printed directly on the dispenser for easy use!
