

AirClip™

scented toilet clips

F-MATIC AirClip™ Toilet Clips provide effective odor control for any toilet. Easy installation requires no tools: simply clip onto any toilet bowl. Not just for toilets: try clipping it on trash bins or restroom stall dividers.

easy to clip just about **anywhere**

product features

The F-MATIC **AirClip™** is mini, but mighty. Fits on nearly every toilet: tank or tankless, round or oblong shaped. It doesn't have to clip to a toilet bowl either! Place on the side of the toilet tank, plumbing lines, under the sink, urinal pipes, trash bins, or even on stall walls.

Get up to 30 days of freshness with **TMM®** technology. **Total Malodor Management®** formulas use advanced science to capture and block malodor molecules, boasting over 90% efficacy. Outperforming typical antimicrobial materials, **TMM®** stands as the superior choice among current malodor technologies.

fully compliant

This solid air freshener poses no risk of spills and is fully recyclable. It's VOC-compliant in all 50 states and contains no CFCs or ozone-depleting substances. Using passive air fresheners is a great way to keep batteries and toxic chemicals out of landfills and waterways. Perfect for LEED- certified buildings or zero-waste facilities.

coordinating fragrances

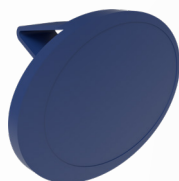

The F-MATIC **AirClip™** toilet clips are available in 10 fresh fragrances, 9 of which match some of our most popular **Twist®** passive air fresheners. Coordinate your restroom fragrances with F-MATIC **Twist®** and F-MATIC **AirFin®** Urinal Screens too!
