product features

Within four months this calculus-ridden drain was cleared using the **OmniGuard™** Urinal Cleaner, Descaler, and Deodorizer. Once completely blocked by years of buildup, the drain is now free from scale, reducing the need for plumbing repairs. No new calculus. At F-MATIC we believe that prevention is the best cure.

The F-MATIC **OmniGuard™** eliminates odors directly around the urinal, helping you maintain the clean presentation of your commercial restroom. Its eco-friendly, recycled refill fits most urinals, takes only seconds to install, requires no tools or restroom modifications, and is completely paradichlorobenzene-free. Save labor, save time, save money and enhance the image of your restrooms with **OmniGuard™!**
