product features

BioFresh has proven effective as an odor eliminator/stain remover and is safe to use virtually anywhere! In the air, on and around people (healthy skin and water-safe clothing), on pets (coats and bedding/litter), and water-safe surfaces at home or on the go. Non-toxic and non-irritating, it leaves no lingering heavy chemical smell while speeding up the natural biodegradation of odors. BioFresh is tested by Moms at home! It also helps keep many organic stains from setting until laundered and is free from Phthalates, SLES, Parabens, Ammonia, Alcohol, Dyes, Solvents, Glycol Ethers, and Formaldehyde.

product uses

This powerful stain and odor remover effectively tackles a range of tough stains and unpleasant odors caused by various sources, including red wine, blood, food spills, bodily fluids, pet accidents, grass stains, and even tobacco smoke. With its specialized formula, it efficiently eliminates these stubborn stains and lingering odors, leaving your surfaces fresh and clean. Whether it's a spill on your carpet or a stubborn odor in your upholstery, this product provides reliable and safe stain and odor removal, restoring your space to its pristine state.

More Uses/Directions for Biofresh:

CLOTHING – Spray BioFresh directly on WATER-SAFE fabric. Rub lightly with clean, dry towel and respray if needed.

DIAPERS/PAILS – Spray BioFresh on feces and urine to neutralize odor, flush bulk down toilet, spray diaper again, and dispose as usual. Spray pail as needed.

DIARRHEA AND INCONTINENCE – Spray BioFresh on malodor for initial relief. Remove feces and saturate residual diarrhea with BioFresh. Wipe clean and spray again. Spray peri-area, wipe clean, and spray again.

FOOT ODORS – Spray BioFresh directly on intact skin on foot and between toes and also into shoes/boots that are the source of many foot odors.

MATTRESSES/UPHOLSTERED FURNITURE – Spray BioFresh liberally on water-safe material surfaces. Remove mess if visible. Wait a few minutes. If smell continues, respray. It should not harm furniture finishes (spot test in inconspicuous place). Biofresh also helps to keep many organic stains from setting.
