## foam soap

F-MATIC Foam Soaps offer superior cleanliness and softness, thanks to high-quality ingredients and moisturizers. They create instant, efficient foam, reaching more areas and rinsing quickly for water conservation. With a thinner consistency, they're eco-friendly, reducing drain clogs and chemical discharge, preserving ecosystems.

## product features

Experience unparalleled hygiene with F-MATIC **High Performance Foam Soaps**, delivering an immediate, thorough cleanse with fine foam and smaller bubbles, ensuring comprehensive coverage. Our foam soaps not only rinse away swiftly, conserving water, but also outperform traditional bag-in-box soaps with 1,333 hand washings per refill compared to 690, saving you both money and service time. With a drip-resistant formula and sleek design, they maintain spotless countertops, enhancing the restroom's overall cleanliness.

Each 1000 mL soap refill is compatible with F-MATIC manual and hands-free soap dispensers, providing a luxurious lather of foam suitable for all applications.

Moreover, F-MATIC High Performance Foam Soaps prioritize both effectiveness and environmental responsibility. By utilizing a formulation that encourages quick rinsing, these soaps not only save water but also minimize their ecological footprint. With each use, you can trust that you're not only maintaining superior cleanliness but also contributing to sustainable practices. Choose F-MATIC for a blend of hygiene, efficiency, and eco-friendly solutions.
