product features

Experience up to 30 days of refreshing odor control and air enhancement with F-MATIC GelAir™ air fresheners. Crafted with organic ingredients, premium fragrances, and essential oils sourced from fruits, flowers, and exotic plants, our fragrances create a delightful and natural ambiance. The robust foil seal ensures leak protection, while our simple yet unique Pop & Twist foil removal guarantees quick and easy servicing. Freshening a space has never been easier!

Embrace eco-friendly freshness with VOC-compliant gel and recyclable plastic cups, making GelAir™ a sustainable choice for filling your space with world-class fragrances. Elevate your environment with odor control that leaves a lasting positive impression.

promote your business
