# economical solution for **intense odors**

## product features

The **F-MATIC® Super Beads** are for industrial strength odor control!

They continuously fight odors for 60 days. Hang **Super Beads** bag in areas requiring enhanced odor control. Ideal locations include: near dumpsters, in well-ventilated spaces such as elevator shafts and stairwells with poor air circulation, basements, air ducts, waste collection spaces, outdoor restrooms, and sewers.

## fully compliant

**Super Beads** air freshener is fully recyclable. It's VOC-compliant in all 50 states and contains no CFCs or ozone-depleting substances. Using passive air fresheners is a great way to keep batteries and toxic chemicals out of landfills and waterways. Perfect for LEED- certified buildings or zero-waste facilities.

## cost efficient solution

- Never requires batteries or power
- Industrial strength handles intense odors
- Durable mesh bag with sturdy closure clip

## coordinating fragrances

Super Beads are available in 5 fresh fragrances, 4 of which match some of our most popular **Twist®** passive air fresheners. Coordinate your restroom fragrances with F-MATIC **AirClip™** Toilet Clips and F-MATIC **AirFin®** Urinal Screens too!

All products made in the USA, using our premium fragrance, creating a cohesive fragrance experience.

**TMM**® Total Malodor Management®

Currently, Super Beads are made with the powerful TMM® odor neutralizer, ensuring that odors are not masked, but eliminated.  
**KILLS ODORS AT THE SOURCE!**
