product **features**

The F-MATIC DoorMate is mini, but mighty. One disc freshens up to 600 cubic feet of space. No tools or batteries required! Simply insert the ceramic disc into your current dispenser. Perfect for smaller spaces that trap odor: restrooms, offices, children's rooms, lockers, linen and utility closets, elevators, hotel rooms and more!

The F-Matic Doormate Air Freshener, championing eco-friendliness with its battery-free operation! Activate it effortlessly by swinging the door it's mounted on. Harnessing natural breezes, the Doormate emits a refreshing scent through its vented dispenser. Experience the transformation in seconds. Enjoy up to 30-day of renewed freshness.

fully **compliant**

This solid air freshener poses no risk of spills and is biodegradable. It's VOC-compliant in all 50 states and contains no CFCs or ozone-depleting substances. Using passive air fresheners is a great way to keep batteries and toxic chemicals out of landfills and waterways. Perfect for LEED- certified buildings or zero-waste facilities.
