

1. IDENTIFICATION

Product identifier

Product Name Twist™ 60 Day Passive Air Freshener – Tropical Paradise

Other means of identification

SDS # FMI-005

Product Code TW900

UPC Code N/A

Synonyms Air freshener; passive air freshener; fragrance refill; odor control refill.

Recommended use of the chemical and restrictions on use

Recommended use Passive air freshener/odor control product for commercial and residential spaces.

Details of the supplier of the safety data sheet
Supplier Address

F-Matic, Inc.
299 S. Millpond Dr.
Lehi, Ut 84043
Phone: 1-800-824-9994
website: FMATIC.com

Emergency telephone number

Emergency Telephone INFOTRAC 1-352-323-3500 (International)
1-800-535-5053 (North America)

2. HAZARDS IDENTIFICATION

Appearance Liquid

Physical state Liquid

Odor Characteristic

Classification

Flammable liquids	Category 4
Skin irritation	Category 2
Serious eye damage / eye irritation	Category 2A
Skin sensitization	Category 1

Label elements

Signal word

Warning

Hazard statements

Combustible liquid.
Causes skin irritation.
May cause an allergic skin reaction.

Causes serious eye irritation

Precautionary Statements - Prevention

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.

Avoid breathing mist/vapors/spray.

Wash hands thoroughly after handling.

Contaminated work clothing must not be allowed out of the workplace.

Wear protective gloves, protective clothing, eye protection and face protection.

Precautionary Statements - Response

IF ON SKIN: Wash with plenty of water.

If skin irritation or rash occurs: Get medical advice/attention.

Take off contaminated clothing and wash it before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical advice/ attention.

In case of fire: Use CO2, dry chemical, or foam to extinguish.

Precautionary Statements - Storage

Store in a well-ventilated place.

Precautionary Statements - Disposal

Dispose of contents and container in accordance with local, regional, national, and international regulations as applicable.

3. COMPOSITION/INFORMATION ON INGREDIENTS

Synonyms

Air freshener; passive air freshener; fragrance refill; odor control refill.

Chemical name	CAS No.	Weight-%
Diethyl Malonate	105-53-3	10–30%
Linalool	78-70-6	5–10%
Melonal	106-72-9	1–5%
2,4-Dimethyl-3-cyclohexene carboxaldehyde	68039-49-6	1–5%
Limonene	5989-27-5	1–5%
Damascone Delta	57378-68-4	0.1–1%

If Chemical Name/CAS No. is “proprietary” and/or Weight-% is listed as a range, the specific chemical identity and/or percentage of composition has been withheld as a trade secret.

4. FIRST AID MEASURES

Description of first aid measures**Eye Contact**

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.

Skin Contact

Wash with plenty of water. Remove contaminated clothing. If skin irritation or rash occurs, get medical advice/attention. Wash contaminated clothing before reuse.

Inhalation

Move person to fresh air and keep comfortable for breathing. Seek medical attention if symptoms persist.

Ingestion

Call a POISON CENTER/doctor/physician if you feel unwell.

Most important symptoms and effects, both acute and delayed

May cause skin irritation, serious eye irritation, and an allergic skin reaction.

Indication of any immediate medical attention and special treatment needed

Notes to Physician

Treat symptomatically.

5. FIRE-FIGHTING MEASURES**Suitable Extinguishing Media**Use water spray, CO₂, dry chemical, or foam for extinction.**Unsuitable Extinguishing Media** Do not use a heavy water stream.**Specific Hazards Arising from the Chemical**

Combustible liquid. No direct explosion hazard.

Protective equipment and precautions for firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

6. ACCIDENTAL RELEASE MEASURES**Personal precautions, protective equipment and emergency procedures****Personal Precautions**

Use personal protective equipment as required. Remove all sources of ignition and provide adequate ventilation. Avoid contact with skin and eyes.

Environmental precautions**Environmental precautions**

Prevent release to drains, sewers, soil, and surface waters. See Section 12 for additional ecological information.

Methods and material for containment and cleaning up**Methods for Containment**

Prevent further leakage or spillage if safe to do so.

Methods for Clean-Up

Absorb spilled fragrance liquid with inert material such as dry sand or earth. Place in a suitable, closed container for disposal.

7. HANDLING AND STORAGE**Precautions for safe handling****Advice on Safe Handling**

Handle in accordance with good industrial hygiene practices. Avoid direct contact with fragrance liquid. Avoid breathing mist/vapors/spray. Use only in a well-ventilated area. Keep away from heat, sparks, open flames, and hot surfaces. No smoking. Keep refill closed/intact until use and protect from damage or leakage.

Conditions for safe storage, including any incompatibilities**Storage Conditions**

Store in a well-ventilated place. Keep cool. Keep containers/refills closed when not in use.

Incompatible Materials

No specific incompatible materials identified by the supplier.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION**Exposure Guidelines**

Normal consumer/commercial use of an intact passive refill is not expected to require special respiratory protection. For manufacturing, spill cleanup, or direct liquid handling, use adequate ventilation, chemical-resistant gloves, and safety glasses.

Follow applicable occupational exposure limits for listed ingredients.

9. PHYSICAL AND CHEMICAL PROPERTIES

Information on basic physical and chemical properties

Physical state	Liquid	Odor	Characteristic
Appearance	No information available	Odor Threshold	No information available
Color	No information available		
Property	Values	Remarks • Method	
pH	No information available		
Melting point / freezing point	No information available		
Initial boiling point / boiling range	No information available		
Flash point	~62.9°C / 145°F		
Evaporation rate	No information available		
Flammability (Solid, Gas)	No information available		
Flammability Limit in Air			
Upper flammability or explosive limits	No information available		
Lower flammability or explosive limits	No information available		
Vapor Pressure	No information available		
Relative vapor density	No information available		
Relative Density	No information available		
Water Solubility	No information available		
Solubility in other solvents	No information available		
Partition Coefficient	No information available		
Autoignition temperature	No information available		
Decomposition temperature	No information available		
Kinematic viscosity	No information available		
Dynamic viscosity	No information available		
Particle characteristics	No information available		
Explosive Properties	No information available		
Oxidizing Properties	No information available		

10. STABILITY AND REACTIVITY

Reactivity

Not reactive under normal conditions.

Chemical stability

Stable under recommended storage conditions.

Possibility of hazardous reactions

None under normal processing.

Conditions to Avoid

Excessive heat, sparks, and open flame.

Incompatible materials

No additional information available.

Hazardous decomposition products

Not expected under normal conditions of storage and use.

11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure

Skin contact, eye contact, inhalation, and ingestion of fragrance liquid.

Health effects

Direct exposure to the fragrance liquid may cause skin irritation, serious eye irritation, and may cause an allergic skin reaction.

Exposure under normal use

The assembled passive refill limits routine direct contact with the fragrance liquid during normal consumer/commercial use.

Toxicological data

No finished-product toxicological testing data were provided.

12. ECOLOGICAL INFORMATION**Ecotoxicity**

The product is not considered harmful to aquatic organisms or to cause long-term adverse effects in the environment. Avoid uncontrolled environmental release.

Persistence / Degradability

Some disclosed ingredients are reported as readily biodegradable in water; data are not available for all components.

Bioaccumulation

Some ingredients have low bioaccumulation potential; limonene may have potential for bioaccumulation.

Other adverse effects

No additional information available.

13. DISPOSAL CONSIDERATIONS**Disposal methods****Disposal of Wastes**

Disposal should be in accordance with applicable regional, national and local laws and regulations.

Contaminated Packaging

Disposal should be in accordance with applicable regional, national and local laws and regulations. Do not re-use empty containers.

14. TRANSPORT INFORMATION**Note**

Please see current shipping paper for most up to date shipping information, including exemptions and special circumstances.

DOT

Not regulated.

IATA

Not determined from current supplier SDS.

IMDG

Not determined from current supplier SDS.

15. REGULATORY INFORMATION**International / Federal Regulatory Information****TSCA**

No specific TSCA information was provided by the fragrance supplier.

SARA 313

The supplier reports that this product or mixture is not known to contain toxic chemicals in excess of the applicable de minimis concentrations subject to SARA 313 reporting requirements.

California Cleaning Product Right to Know (SB-258)

The fragrance concentrate contains the following substances identified by the supplier under California SB-258 disclosure:

- Linalool (CAS 78-70-6): 9.5356%
- Limonene (CAS 5989-27-5): 1.2511%
- Damascone Delta (CAS 57378-68-4): 0.6040%
- Myrcene (CAS 123-35-3): 0.0132%

Product-specific SB-258 ingredient disclosure is provided separately.

U.S. State Right-to-Know Regulations

Applicable state ingredient-reporting requirements should be evaluated using current supplier composition information and applicable regulatory lists.

16. OTHER INFORMATION

Issue Date:	13-Oct-2026
Revision Date:	13-Oct-2026
Version:	1
Revision Note:	Initial Issue

Disclaimer

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
